PROFILE

Motivated Computer Science and Cybersecurity enthusiast with strong academic results (Cambridge A-Levels: A in Mathematics, A in Computer Science). Passionate about technology with a growing foundation in Linux, networking, and cloud computing. Award-winning hackathon participant with practical experience across web development, IT management, and content creation. Eager to keep learning and grow in a structured academic or professional environment.

KEY ACHIEVEMENTS

- 3rd Place and Best UI/UX Award – Cambridge Code League Hackathon, for MeroAushadhi, a health app with Nepali language integration
- 1st Place – College STEAM Competition, for AQ Sentinel, an IoT-powered real-time air quality monitoring system
- Led IT team to build the first Interact Club in the region with a dedicated website (icmatribhumibaluwatar.org) and integrated backend services.
- Earned 31+ verified certifications across networking, cybersecurity, cloud, programming, sports and more.

WORK EXPERIENCE

SEO Content Writer

Gadgetbyte Nepal | Kathmandu, Nepal | Aug 2025 – Dec 2025

- Wrote and optimised technology articles with an SEO focus, helping improve organic traffic and reader engagement
- Collaborated with developers to identify and resolve technical issues, improving website functionality
- Ran internal training sessions to help team members understand the newly built website

IT Officer

Interact Club of Matribhumi Baluwatar | Jul 2025 – Present

- Maintained and updated website, ensuring functionality and resolving technical issues
- Part of the team that built the first Interact Club website in the region, with a working backend and built-in forms

Executive Member

SXC A Level Alumni Club | Associated with St. Xavier's College | Jan 2024 – Jan 2026

- Organized two national-level mathematics competitions (Math Mania), managing logistics, coordinating participants, and ensuring smooth execution.
- Led planning and implementation of alumni meet and homecoming events, alongside smaller alumni programs, fostering community engagement and networking opportunities.

Member

SXC A Level Computer Club | Associated with St. Xavier's College | 2024 – 2025

- Contributed to the development of a game featured in the college magazine, applying creativity and technical skills in a collaborative setting.
- Actively participated in various club events, supporting team efforts and gaining experience in event-based collaboration.

Event Manager & Deputy IT Head

Budhanilkantha Junior Jaycees | Feb 2024 – Jan 2025

- Helped organise and run events while supporting IT and digital communications for the club
- Received a Certificate of Appreciation for contributions as an Event Manager and was also nominated for the Pride Month Award by Budhanilkantha Junior Jaycees in May 2024.
